

ConneCT Kid's Committee

Meeting Minutes

*December 12, 2002
2:00 PM*

Commission on Children, Hartford

Attendees: Felicia Canty, Al Duran, Pat Estill, Dick Hemenway, Steve Johnson, Renee Rickard
Andrea Wadowski

1. The Committee voted to approve the following items concerning the proposed Young Adults companion website
 - a. Deadline date for rollout - 6/1/2003
 - b. Site name - ConneCTeens
 - c. A Logo contest
2. Andrea Wadowski for the Department of Education attended the meeting and submitted a design for the new ConneCT Kids main page to the committee. Several suggestions were made concerning the design, and Andrea was asked to re-submit several designs incorporating the suggestions for comparison. Her participation in this project is deeply appreciated.
3. Renee Rickard and Pat Estill will develop some promotional material for the ConneCTeens logo contest. Renee will also forward the Young Adults Website Forum email list to Dick Hemenway for use in distributing these materials. Email contacts for the schools will also be used, preferably art teachers or school secretaries.
4. The Committee voted to create a Committee website. This site would contain information about the Committee - membership, meetings, by-laws and mission statement, minutes, etc...- and would serve as a repository and central information point for Committee business. It would also provide a public face for the Committee and promote our activities. Dick Hemenway will contact Roger Schynes concerning the web address and site creation. Since the site format will be simple, with minimal design elements, it should be created quickly once approval is received.

5. The Committee also received information concerning the International Children's Conference on the Environment which will be taking place in Connecticut in 2004. The Committee will discuss possible postings regarding this event at future meetings.
6. Next meeting January 23, 2003, 2:00 PM at the Commission on Children.

Dick Hemenway
